Oconomowoc Public Education Foundation's Annual Campaign Kicks Off

OCONOMOWOC, WI. – Oconomowoc Public Education Foundation (OPEF), in collaboration with retired OASD educators Vic Passante and Jim O’Leary, kicked off their Annual Campaign on November 15th! OPEF is asking community members, friends of OPEF, and district families for their financial support to help raise funds for classroom projects and innovative learning opportunities for the Oconomowoc School District.

Strong schools make strong communities. OPEF is a charitable foundation that was created in 2007 with a goal to raise and provide funds for innovative educational opportunities and experiences not funded in the core school district budget. OPEF continues each year to fund projects that span all grades, subjects and learning needs benefiting all students in the Oconomowoc Area School District.

With your financial support to OPEF, we can continue to provide grants for new and innovation projects. For more information about OPEF or to donate, please visit our secure website at www.opef.info. Gifts may be designated to one of our several specific areas of learning, to the OPEF Endowment Fund, or to the General Fund. All tax deductible gifts will be recognized on the OPEF website.

OPEF has awarded over \$370,000 in grants since 2007--help us carry on this mission.
